Add HerdHaul to your phone home screen

Mobile users | Quick reference guide

1. Open HerdHaul in your phone browser

Use your usual authorized address or link.

2. Use the browser install option

On iPhone Safari, open Share and choose Add to Home Screen. On supported Android browsers, choose Install app or Add to Home screen.

3. Open and verify

Launch the icon and confirm you can reach your authorized work. Keep your browser data while deliveries are waiting to sync.
